ISSUE #1 – HOLIDAY SEASON

What's going on at 308K!

By: Sharon Odwin, Principal

Greeting Parents & Students,

I am proud to introduce our monthly school's newsletter. As we approach a new year (2018), expect many exciting things! In this newsletter we will highlight academic improvements, community relationships, and school news.

Academic Improvements

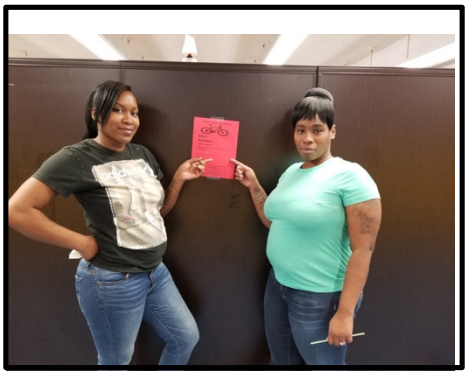
308K Scholars are reaching for the stars! Did you know that our overall Math Weekly Assessment reporting indicates that our 4th Graders are 56% Mastery, 38% Near Mastery and 6% Non-Mastery. That is awesome! Keep up the great work 4th Graders!

Did you know that our overall Math Weekly Assessment reporting also indicates 6th Graders are 53% Mastery, 31% Near Mastery, and 16% Non-Mastery Great job 6th Graders!

Community Relationships

Please support our school's raffle. We have two bicycles (Boy & Girl) ready to raffle for our upcoming holiday season. If you are interested, raffle tickets are $5. Please see Ms. King, PTA President.

Parent engagement is so important. I want to take this opportunity to acknowledge our new PTA Vice President, Ms. Stevenson.



Schools News

We are committed to enhancing the learning experience for our students. So every Monday & Tuesday Administration and Faculty indulge in Professional Development (PD) workshops. Check out Ms. Hammond (Assistant Principal) and Sherrian Dennis, (1st Grade Teacher) discussing new learning techniques.
